1. Introduction

Disclaimer: I don't own Hamtaro, anything related to it, or any of these songs that I'm using! I swear I'm NOT copying anyone! I came up with this idea weeks ago, when I was listening to Christmas carols on the radio! It's just a strange coincidence that so many people have the same idea as me!
>
A/N: Hamha! Welcome to my second Christmas fic! in this little fic, I'm taking Christmas songs and taking the Hamtaro characters and changing the lyrics to some of the songs! Sometimes I might actually give the ham-hams parts to sing in the song, or sometimes I might just change the lyrics to the song! Whatever I do, it's gonna be all about Christmas! Also, don't expect me to update this story very fast. I'm still waiting to get Disney's Holiday Jams 2 CD. It has songs that I really wanna use! When I do get it (that's if I get it) I'll post much faster. So far I could only come up with two songs. But let's get started!
>
Introduction:
>
Hamtaro: Not long till Christmas comes. So what do you want to do while we waitâ€¦
>
Boss: I don't know. Why don't we go play outside, in the snow.

>
Bijou: but ve have been doing zat for ze past week. Do you not zink it is getting a bit old.
>
Boss: Well of course Bijou! I was just asking, hehe *blushes*

>
Stan: Well what ever we do, we'd better hurry up and do it, cause I'm getting' really bored.
>
Hamtaro: Hey! I know, why don't we sing Christmas songs!

>
Ham-hams: Yeah!
>
Hamtaro: Ok!
>

>

>~end first song
>Katy-chan: Ok, I spent all Saturday morning working on this one! It was not easy! So yeah. I'm gonna say this now: Some songs are gonna have more then one version and if they do have more then one version then all the versions of that song go in one chapter, like I said, one different Christmas carol per chapter, not one song per chapter. And if you're confused then just wait for the next chapters!

>You know the routine! Just RR! (I'm not sure yet but the next song might be Rudolph the Red Nose Reindeer. We'll have to wait and see.)

Katy-chan: There's two versions for Rudolph!!! I was originally gonna do Maxwell The Big Head Ham-ham, but my sis asked me to do one for Oxnard, and surprisingly the Oxnard version came out pretty good! I like it, but I love Maxwell too much to just throw away his version!!! So I kept both versions. Just tell me what you though by reviewing! Bye-Q!
>
(I probably won't post another one 'till after Christmas. Just be patient with me guys! Oh, and just in case, I'm not here on Christmas, I'll say this now: Merry Christmas! And Happy New Year!)

Katy-chan: Don't worry guys! I'll use the other hams in my other songs! I promise! It's just that when I was listening to Maxwell, Sandy, Stan and Pashmina on the Hamtaro Christmas episode, they had such GREAT voices! Of course Jingle and Panda are two of the other ones with really good voices, but they'll show up in another song! Just expect a lot from these four hams that I used! Bye-Q! I hope ya'll had a good Christmas!

(well in my opinion that is) Panda has a cute voice too, but not as cute as the others, I just put him in so there could be an even number of hams, and so that Pashmina would have someone special to her, singing with her. ^_____^ (Yes, I support Panda+Pashmina) Well, Bye-Q!
